Management Comments:

Commenting on the performance of Q4 and year ended FY23 ,

Mr. Murtaza Ali Moti (Whole-time Director) said:

“SAH Polymers Limited delivered a strong financial performance in Q4 and year-ended FY23. our revenue grew by 19.67% on a YoY basis from ₹8,123.45 Lakhs in FY22 to ₹ 9,721.62 Lakhs in FY23 on account of strong performance and growth from our subsidiary. Our EBITDA has grown from ₹773.40 Lakhs in FY22 to ₹ 874.79 Lakhs in FY23 on a YoY basis on account of a better product mix and economies of scale. Further, the board has recommended a maiden dividend of 5% to its shareholders.

At Sah Polymers, we don't just provide packaging solutions; we empower our customers to make the right choices. In this exciting journey, we look forward to a future full of possibilities, opportunities, and growth. After all, as the old saying goes, 'the only constant in life is change', and we at Sah Polymers are always ready to embrace change with a heart full of determination.

The Company boasts of an impressive geographical presence that spans 8 states and 1 Union Territory within India, along with an international presence in 18 countries worldwide. With nearly 57% of its total revenue attributed to exports, Sah Polymers has carved out a niche for itself in the international markets. The Company's distribution network is fortified by its sales agents, merchant exporters, and a strong network of direct sales channels. All of which contribute to the efficient marketing and distribution of its premium products.

In today's highly competitive business landscape, Sah Polymers Limited is exploring various inorganic opportunities in India and abroad for expanding its products range and its customer base. Our approach of inorganic growth involves strategic acquisitions of other companies to enhance market presence, gain competitive advantages, and accelerate growth. We will evaluate financial performance, growth prospects, operational efficiencies, and cultural compatibility to ensure a strategic fit.
